AN INVITATION TO COMMUNITY PARTNERS

HELP SPREAD THE MESSAGE.

Powered by HARDCORE Connections

A little visibility. A powerful reminder.

Worth More Movement, powered by HARDCORE Connections, invites recovery centers, community organizations, and local businesses to share a message of dignity, belonging, and self-worth.

DISPLAY THE MESSAGE

Post this invitation in a welcoming space. Remind people that their past, struggles, and the labels placed on them do not define their worth.

SHARE A REEL

Share a Worth More reel through your organization's channels. Invite your community to add their own words, if they choose.

INVITE PARTICIPATION

Offer either prompt: "I am worth more than..." or "I know my worth because..." A word, sentence, or short video is welcome.

KEEP IT PERSONAL AND VOLUNTARY

No recovery story or personal disclosure is required. Ask permission before recording, naming, or reposting anyone.

CONNECT THE CAUSE

HARDCORE Connections connects people with recovery, mental health support, and community. Worth More helps carry that message beyond the service setting.
